

WOMEN'S MONTH COLLECTION DRIVE • 9-31 AUGUST 2026

HERMONTH. HERHOPE.

Her Month is more
than a moment, it's a

movement.

Every donation is a practical act of support that helps restore dignity,
provide comfort and remind women that they are not alone.

Through this drive, we're coming together to give more than essential items;
we're helping create a space where women feel seen, supported and
empowered to rebuild with confidence.

This Women's Month,
we're supporting

***St Anne's
Homes.***

Located in Woodstock, St. Anne's Homes provides safe accommodation and holistic support to vulnerable mothers and their young children. Beyond offering shelter, the organisation equips women with life skills, parenting support and opportunities to build independent, sustainable futures.

Every donation made through ***Her Month. Her Hope.*** helps provide essential items that contribute to the wellbeing, dignity and care of the women and children who call St. Anne's Homes a place of hope.

An urgent need

St Anne's Homes identified **sleepwear** for the women and children as one of their greatest current needs. In addition, thoughtful items such as a journal or a book containing motivational quotes would be a wonderful gift to encourage and uplift the women in their care.
